# HALEY SCHAFER

## JUNIOR SOFTWARE DEVELOPER

## PROFILE

I am currently a Learning Success Executive at Code Institute working with Front-End and Back-End technologies to tutor students, grow lesson content, and develop analytics programs. Passionate about creating a positive user experience, I enjoy working with and adapting to technologies as they develop.

## EXPERIENCE

| | |
|---|---|
| August 2018 - Present<br><br>Dublin, IRELAND | **LEARNING SUCCESS EXECUTIVE - CODE INSTITUTE**<br><br>I engage in the planning, development, and continuous improvement of software systems and code base, providing student support and analytics data, collaborating with team members on how to improve students' overall experience. I support student learning through tutor sessions, turning their queries on a particular technology or project into a learning opportunity for them and into course improvements where applicable. |
| July 2017 - March 2018<br><br>Grand Rapids, Michigan | **RELATIONSHIP MANAGER, PRODUCER — LIGHTHOUSE GROUP**<br><br>I created a semi-automated task to efficiently track and report on employee performance, eliminating the need for manual generation of weekly performance reports, increasing productivity. I also provided insurance and risk management solutions for tech-industry companies, improving the financial well being of clients, properly protecting their company's capital investments. |
| February 2017 - June 2017<br><br>Suva, FIJI (Remote) | **VIRTUAL FOREIGN SERVICE INTERN — EMBASSY OF THE UNITED STATES TO FIJI**<br><br>I created content for web pages from researched material on the availability of local emergency providers in French Polynesia, New Caledonia, and Wallis and Futuna, improving accessibility to vial information. Translating documents from French to English, the material guided American citizens through the process of utilizing emergency resources abroad, under the supervision of a Consular Officer. |
